Love and Logic ® provides simple and practical techniques to help parents and teachers experience less stress and more fun while raising responsible kids. It offers many useful technique that can be applied immediately. Examples of these techniques include:

- Setting limits with enforceable statements
- Sharing control through lots of small choices
- Neutralizing arguments with the “Brain Dead” technique

“In only one week, my kids are listening to me, obeying me, staying in time-outs (of which there are less), etc. and there is much less yelling and spanking going on. Thank you soooo much.” – Michele, Plano, TX

Love and Logic ® is easy to use, raises responsible kids, and changes lives.
